# "DREAM AGAIN"

*vision*

*workbook*

## Why do we dream?

We dream because this is what we were created to do. Before you were a person, God had a dream, and you are the manifestation of His dream that He wants to bring forth in the world.

## Why dream again?

When we were children, we dreamed and hoped freely! Then we grow up, and while we may dream, it is more confined, more realistic, more boxy, more status quo, and more like what everyone else is doing.

Have you ever stopped and realized that the dreams inside of you are God's dreams also?

## What dreams has God placed in your heart?

## What dreams have you abandoned because of fear or failure?

# Why do we set goals?

Then the Lord answered me and said: "Write the vision and make it plain on tablets, that he may run who reads it."  
Habakkuk 2:2 (NKJV)

The only way you can make a dream a reality is by making a plan, writing it down, and having others hold you accountable.

"Where there is no vision, the people perish." Proverbs 29:18 (KJV)

*"If you lack hope, it's because you lack vision. If you lack purpose, it's because you don't have a dream.  
Don't get stuck!- Havilah Cunnington*
